ELECTION AND AMENDMENT I

Sir:

In response to the Restriction Requirement of December 22, 2008, Applicants elect to prosecute Species 1 (electroluminescence display device) in the above-identified application.

Applicants believe that Claims 2-4, 7-18, 20, 25, 26, 31-62, and 65-67 are generic and readable on Species 1.

In addition, in order to advance the prosecution of this application, Applicants are amending Claims 26, 32, 34, 36, 37, 42, 47, 52, 57, and 62 to be directed to an electroluminescence display device and read on Species 1.

Therefore, Claims 2-4, 7-18, 20, 25, 26, 31-62, and 65-67 are pending in this application.

Applicants are making this election without prejudice to later filing a divisional application on the non-elected claims and/or species.

Please amend the above-identified application as follows:
